

# Scale-Stopper Plus

Salt-Free Water Conditioning & Chlorine Filtration Systems

## Great Water. No Salt. No Waste Water.

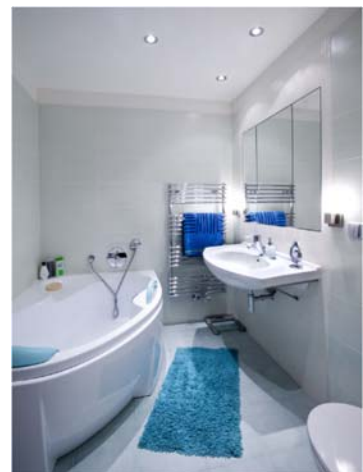

- Green alternative to conventional water softeners!
- No salt added. No waste water generated.
- Eliminates scale build-up on pipes and surfaces.
- Advanced carbon system removes chlorine.
- Scale-Stopper Plus systems do not add anything or remove anything from water, retaining natural occurring minerals such as calcium & magnesium.
- Salt-using water softeners must be regularly recharged by adding more salt & back-flushing with fresh water. This can be costly and inconvenient.

Limited Lifetime Warranty

Enjoy clean, conditioned, non-scaling water throughout the home!
